Learner Driver Sign

Create the following sign for Swiss learner drivers.

Recommendations:

- Define the background
background = ...
- Define the two parts of the 'L'
l_vertical = ...
l_horizontal = ...
- Don't forget to pin the various components before composing them!

```
from pytamaro import (
```

```
)
```

```
background =
```

```
l_vertical =
```

```
l_horizontal =
```

```
l_complete = compose(
```

```
)
```

```
show_graphic(
```
